ROOP INDUSTRIES

PLASTIC DIVISION

Your Trusted Partner in Premium PET
Packaging Solutions

At Roop Industries, we specialize in crafting high-quality PET bottles & jars that combine clarity, strength, & lightweight performance.

With a strong focus on innovation, quality, & customization, we serve a wide range of industries, including:

Pharmaceuticals

Nutraceuticals

Food & Beverages

Chemicals

Home Care

Personal Care

Where Quality Meets Variety

We manufacture a diverse range of PET bottles & jars, with capacities ranging from 200ml to 5 liters, in a wide variety of shapes, designs, and custom colors to suit your branding and functional needs.

What sets us apart:

- Use of premium-quality preforms
- Leak-proof design with strong durability
- Stylish, functional shapes widely accepted in industrial markets
- Competitive pricing without compromising on quality
- Advanced manufacturing Machinery & Mould (among the best in India)

Customization is Our Strength

Whether you're looking for standard packaging or something tailored to your specific needs, we're here to help. From unique bottle shapes to custom volumes and colors, our team is ready to design and deliver exactly what your product requires.

Let us turn your packaging vision into reality with Roop Industries, you get more than just a bottle. You get a packaging partner you can rely on.

“

Roop Industries: Expanding into Plastic Packaging

Roop Industries, a professionally managed company with a rich history since 1989, is well known for its expertise in Hygiene & Home care products, alongside Disinfectants, Detergents, Cleaners, Toiletries, and Cosmetics under the Brand Name of Suraksha.

Building on this strong foundation, the company is now entering into the manufacturing of PET bottles and jars within a newly established Plastic Division.
